WELCOME TO THE OVAL

A quiet loop where kids can ride and neighbours say hello

The Oval takes its name from the landscaped loop at its heart. A long, planted entry from Main South Road opens into a private internal street, so there is no through traffic, just a slow, safe circuit for scooters, bikes and evening walks.

Ten light-brick detached homes form the outer edge, and a row of six dark-brick terrace homes sits in the middle as the neighbourhood's centrepiece. Bronze timber-look features tie the two together, so the street feels like one place.
